

PINE LAKE YACHT CLUB SAILING SCHOOL

The Pine Lake Yacht Club Junior Sailing School welcomes the children and grandchildren of its members. PLYC will accept as students, member's children and grandchildren who do not reside on the lake, provided they are not a resident on another lake that has an active fleet in the class in which they will participate.

Our goal is to provide a fun, safe and educational program which will develop self confidence, a sense of independence, and the skills necessary to appreciate and enjoy the sport of sailing.

All sailors must own or have access to a boat to participate in PLYC Sailing School. Sailboats MUST be brought to class daily.

Coast Guard approved life jackets MUST be worn "shore to shore" by all sailors.

All instructors are certified through US Sailing's Level 1 or 2 Dinghy Instructor course. They are also trained in CPR and First Aid. Sailing instructors can be contacted for private instruction.

Sailing School is held regardless of weather.

PLYC Junior Sailing School Opening Picnic will be held Friday, June 11, 2010 to pick up folders and schedules. Watch for mailing.
